**Process**
1) Flyers and email distribution (through Engineering Student Leadership Council, ESLC) will be done to announce the Call for Nominations.
2) Nomination Deadline: **The 1st day of October of every year.**
3) Election will be done at an ESLC meeting or via the web.

**Selection Criteria**
- Major: Engineering or Computer Science
- Classification: Senior who will be enrolled as an undergraduate during the semester of the upcoming TCM Day and will graduate before the subsequent TCM Day.
- The TCM Day celebration focuses on the roots of the University and its school spirit traditions that have kept this tradition thriving for decades. The Mighty Guard of St. Pat is seeking nominees who have made measurable changes in our community through relentless volunteerism and cooperation. Nominees should possess a passion and reflect a synergy of school pride and spirit.

**Expectations**
As part of the annual TCM celebration, St. Pat's role is to:
- Participate in "The Coming of St. Pat" which is a somewhat theatrical introduction to their patron saint.
- Preside over all TCM Day activities and sign all TCM Green Cards at the Kissing of the Blarney Stone.
- Preside over all designated engineering activities/events throughout the year (e.g., Homecoming Breakfast)
